HELP US CREATE A NEIGHBOURHOOD PLAN

A Neighbourhood Plan gives Whaddon a stronger voice in future planning decisions.

A plan created **by** Whaddon, **for** Whaddon.

Once adopted, it becomes part of the planning framework and must be considered when housing planning decisions are made.

We can set out what we want to protect, improve and change in Whaddon. Please provide your responses by **31st October 2026**.

WHY IT'S IMPORTANT TO HAVE YOUR SAY

The Parish Council can provide funding and professional support, the vision must come from Whaddon.

WHAT MATTERS MOST TO YOU ABOUT THE FUTURE OF WHADDON?

Your input is important, share your thoughts with us. Consider:

- ★ The village and protecting it's identity
- ★ Housing mix is currently skewed to 4+ bed homes
- ★ Local heritage (WWII links)
- ★ Green spaces
- ★ Connected natural spaces around the village ie. hedges, streams etc.
- ★ Community facilities
- ★ Local infrastructure improvements
- ★ Conservation areas
- ★ Businesses – mainly agricultural
- ★ Traffic management
- ★ Allotments allocation
- ★ The surrounding countryside in our rural village
- ★ Footpaths and bridleways
- ★ Biodiversity, including protected species
- ★ Transportation links
- ★ Listed buildings
- ★ The environmental impact of future plans

HOW YOU CAN HELP?

It doesn't have to take up much of your time. We simply want to understand what matters most to you, what **you** value about **your** village, and what you feel passionate about protecting – so we can help make sure those things are considered for our future.

EMAIL US ON
